Darwin's famous statement that "life began as a 'simple' cell" is laughable. As recently as 50 years ago, Wells, Huxley, and Wells wrote in their classic textbook that "nothing can be seen inside the nucleus but clear fluid." We know now that the cell, is an extremely complex unit, with billions of nucleotides in the gene material inside the nucleus, and millions of biochemical reactions. The probability laws tell us that the probability of the haphazard creation of the exacting sequences of nucleotides into DNA is Zero, many times over. We are not talking about 84 nucleotides; we are talking about billions of nucleotides that must be arranged in a specific sequence.

Some evolutionists have stated that the human gene and the monkey's gene are 90% similar. However, even if the similarity was 99%, we are still talking about 300,000,000 nucleotides that must be haphazardly re-arranged to change the monkey into a human. The probability laws preclude this as an utter impossibility. The human gene contains 30,000,000 nucleotides; 1% of that is 300,000,000.

A fitting quote here is that of Professor Edwin Conklin; he stated:

The probability of life originating from accident is comparable to the probability of the Unabridged Dictionary resulting from an explosion in a printing factory.

# Appendix 32 The Crucial Age of 40

What is the age of responsibility? If a child dies at the age of 12, without even hearing about God, does this child go to Heaven or Hell? What if the child is 15 years old, or 21, or 25? At what age will the human being be held responsible for his or her beliefs? This question has puzzled researchers of all religions for a long time.

The Quran sets the age of responsibility at 40; anyone who dies before this age goes to Heaven (46:15). If the person believed in God and benefitted from belief by nourishing and developing the soul (see Appendix 15), he or she goes to the High Heaven. Otherwise, the person goes to the Lower Heaven.

Your first reaction to this piece of information is objection: "What if the person was really bad, evil, and an atheist, will he go to Heaven if he died before the age of 40?" This is because you are mean, while God is the Most Merciful. Our tendency is to "put them all in Hell."

People who object strongly to this Divine mercy cannot come up with a cutoff age of responsibility. They ask questions like, "What if the person was really wicked?" The answer is, "Does God know that this person was wicked?" "Yes." "Does God know that this person does not deserve to go to Heaven?" "Yes." "Therefore, this person will not die before the age of 40." As simple as that. God

is the only one who terminates our lives on this earth. He knows exactly who deserves to go Heaven and who deserves to go to Hell.

Early in 1989 a man by the name of Theodore Robert Bundy was executed for killing a number of women. The whole nation agreed that he was one of the most vicious criminals in history. So much so that his execution was one of the rare occasions where the opponents of capital punishment did not protest. On the contrary, many people actually celebrated his execution. Numerous journalists, editorials, and politicians lamented the fact that justice took eleven years to execute Ted Bundy. They stated that Bundy should have been executed within a maximum of six years after his conviction. According to the Quran, this would have been the greatest favor anyone could have done to Bundy. He was 42 years old when executed. Had he been executed five years earlier, at the age of 37, he would have gone straight to Heaven, and he did not deserve that.

As it turns out, Bundy was one of the signs God has given us to confirm that anyone who dies before 40 goes to Heaven. Bundy's name, Theodore Robert Bundy, consists of 19 letters, and he confessed to killing 19 women just one day before his execution. There were many other signs from God.

Delivering this important piece of information is one of the responsibilities given to me as God's Messenger of the Covenant. It is not *my* personal opinion.

It is noteworthy that both Martin Luther King and Malcolm X were assassinated just a couple of months before their 40th birthdays.

# Why Did God Send A Messenger Now?

As stated in 3:81, and in Appendix 2, God has sent a messenger to consolidate the messages delivered by all the prophets, purify them, and unify them into one religion: Submission. The timing is certainly ripe for fulfillment of this important prophecy, for the following reasons:

1. Judaism, Christianity, and Islam have been corrupted beyond recognition.

2. All God's messages have been delivered; the Quran is the Final Testament.

3. More than 93% of the human beings destined to live in this world are yet to come. As illustrated in the Introduction, Page xiv, the people who have lived on this earth since Adam are only one-fifteenth of the total projected human population.

## Judaism

The best illustration of today's corrupted Judaism can be found in the books of a famous Rabbi; Harold S. Kushner. In his best seller *WHEN BAD THINGS HAPPEN TO GOOD PEOPLE*, Avon Books, 1981, Rabbi Kushner states the following:
